CAMP No. 371 Ex., DATED 12TH MARCH 1897.

The following amended Rules, framed by the Government of Mysore under the provisions of the Excise Act XXII of 1881 as amended by Act VI of 1885, and extended to Mysore by Regulation III of 1885, are hereby published for general information and guidance in lieu of all existing rules relating to the subjects herein dealt with :—

PRELIMINARY.

These Rules are divided into three parts, namely—

PART I.—The manufacture of arrack and other country spirits, and management and supervision of the Distillery and Bonded Depôts;

PART II.—The grant of "Vend Farms" and "Separate Shops";

The sale and transport of arrack and other country spirits; and issue of licenses and passes; and

PART III.—Miscellaneous.

PART I.

THE MANUFACTURE OF ARRACK AND OTHER COUNTRY SPIRITS, AND MANAGEMENT AND SUPERVISION OF THE DISTILLERY AND BONDED DEPÔTS.

I. The exclusive privilege of the manufacture of arrack and other country spirits shall be disposed of, from time to time, in such manner and for such fixed period as the Government may direct and appoint in that behalf.

II. The person to whom this privilege may be granted (called the Manufacturer), shall exercise the same in strict accordance with the Excise Law and Rules thereunder passed by Government, which may be in force for the time being, and subject specially to the following conditions :—

1. The privilege granted to the Manufacturer shall not include the manufacture or sale of toddy, of "foreign spirits and foreign fermented liquors" within the meaning of clause (*a*) of Rule I in Government Notification No. 31, dated the 9th May 1889 and as amended in Government Notification No. 4, dated the 3rd April 1891, or of country beer.
2. The Manufacturer shall manufacture arrack and other country spirits within the enclosure of the Government Distillery near Bangalore, or at such other place as may be approved by the Government. For the use of the Distillery building near Bangalore and the arrangements existing in connection with the water-supply, the Manufacturer shall pay such rent as may be fixed by Government.
3. The rate of price at which the Manufacturer shall supply arrack to the Government, and to separate shop-keepers and renters of Vend Farms in defined tracts shall be fixed for 20° under-proof; for other single-distilled spirits of greater or less strength than 20 under-proof which may be specially manufactured and issued, under rules sanctioned by the Government, the price shall be calculated proportionately upon the price for 20° under-proof, in accordance with Casella's rules. But for double-distilled country spirits and other special liquors of whatever strength manufactured and issued with the approval of Government, the Manufacturer, as well as the person entitled to vend the same, shall be at liberty to fix his own prices.

4. The Manufacturer shall keep ordinarily the supply sufficient for a month's consumption, and never less than a minimum fixed by Government, in store at the Distillery. This minimum is fixed at 23,000 gallons of admissible spirit in terms of 20° under-proof, until further orders.

5. The Manufacturer will be allowed to purchase arrack and other country spirits from any Sugar Factory which may be established in Mysore, and which may be authorized by Government to distil arrack and other country spirits, the grant of the privilege of manufacture to the Manufacturer notwithstanding, the Government always retaining the power to authorize the distillation of arrack and other country spirits in any Sugar Factory. Should the Manufacturer himself establish a Sugar Factory and distil arrack and other country spirits therein with the permission of the Government, he will be bound to keep in stock at such factory, such quantities of arrack and other country spirits as may be fixed by Government.

6. In outlying tracts where, owing to small consumption or other causes, there is reason to suspect illicit distillation, Government shall be at liberty to establish out-stills, giving the manufacturer the first refusal of so doing.

7. The Government may allow the Manufacturer to manufacture Colombo or other kinds of arrack, subject to such conditions as to the mode of manufacture, payment of duty, the agency for sale, and other matters, as the Government may prescribe on the application of the Manufacturer.

8. The Manufacturer shall, upon receipt by him of price at the rates fixed by his contract, sell the arrack and other country spirits at the Government Distillery or other place where he may be allowed to manufacture. Such sales shall only be—

1st. for the supply of such Bonded Depôts as Government may, from time to time, establish and maintain;

2nd. to separate shop-keepers licensed to sell in the Civil and Military Station of Bangalore, in the Cities of Bangalore and Mysore, and in other places to which the Separate Shop system may be extended;

3rd. to renters of Vend Farms to whom the Government may sell the right to vend arrack in defined tracts;

4th. to licensees for the wholesale and retail vend of "Foreign Spirits and Foreign Fermented Liquors," and for the sale of the same in Refreshment Rooms, and in Hotels and Boarding Houses.

III. The following rules shall regulate the relations of an in-coming Manufacturer to an out-going Manufacturer :—

1. The out-going Manufacturer shall give, and the in-coming Manufacturer shall take over, any arrack and other country spirits and special liquors not exceeding a month's supply which may remain as stock in hand on the last day of the expiring contract, the latter paying the former for the same such value as may be fixed by the Excise Commissioner.

2. Should the in-coming Manufacturer so require, by at least one week's previous notice in writing, the out-going Manufacturer shall cease preparing "wash" during the last month of the expiring contract, and vacate the buildings so as to admit of the in-coming Manufacturer commencing operations. Should no such notice be given, the out-going Manufacturer may continue distilling till the end of his contract, after which further distillation must cease.

3. The out-going Manufacturer shall sell, and the in-coming Manufacturer shall buy, all apparatus and stock and block belonging

to the out-going Manufacturer at the Government Central Distillery, Bangalore, for a fair and equitable price to be fixed by the Excise Commissioner, calculating the original cost and deducting therefrom depreciation for the period of user at such average rate as may be determined by Government, and of which timely notice will be given to the out-going Manufacturer and to all other persons concerned by a Notification to be duly published in that behalf.

4. Improvements of a permanent nature shall be retained and shall not be disturbed except with the approval of the Executive Engineer.

IV. The following rules shall regulate the management and supervision of the Distillery and the manufacture and storage of arrack and other country spirits and special liquors therein:—

1. The Distillery shall be opened at sun-rise and be closed at sun-set, except on Sundays and authorized holidays, when it will be closed. Under the special order of the Excise Commissioner, and on such conditions as he may prescribe, the Distillery may be worked during nights and on holidays to bring up stock or to meet urgent demand. The holidays herein referred to shall be such as may, from time to time, be prescribed by the Excise Commissioner.

2. The Distillery shall be open at all times for inspection by the officers of the Excise Department, or by any other officer appointed for the purpose. All locks of the Distillery shall be sealed after work is closed each day, and the keys delivered under seal to the officer in charge of the Distillery for safe custody.

3. No arrack shall be taken out of the Distillery until it has been measured or weighed and tested by an official of Government appointed for that purpose.

4. The Manufacturer shall promptly execute such repairs to the Distillery buildings and channels as may be pointed out by the Executive Engineer, provided the cost in the year does not exceed 50 rupees.

5. The spirits manufactured shall be of good quality. The articles used in distilling shall be approved by the senior officer in charge of the Distillery. No ingredients obnoxious to health shall be used in distilling, or put into the arrack or other country spirit or special liquor after it has been made. Standard saccharometers by Long and Dring and Fage, for determining the gravity of the "wash" in its several stages till distillation, shall be kept by the Manufacturer, and a true and correct record maintained for verification and check by the Excise officers. All "wash" shall be secured under lock and key and kept in closed rooms. All spirits shall be kept in a store-room which will be provided by Government for the purpose, and the key of which will be kept by the officer in charge.

6. The spirits manufactured shall not be adulterated or diluted. But distilled water may be used at the Distillery under the supervision of the senior officer in charge of the Distillery, for the purpose of reducing the strength of the same. And if clear and pure spring water be available, it may be used for such purpose in lieu of distilled water, with the previous sanction of the Excise Commissioner.

7. The measure to be used at the Distillery shall be the standard imperial gallon; and $\frac{1}{87}$ part thereof shall be equal to one "arrack dram" of 1,500 minims. These measures shall be passed and sealed by the Excise Department.

8. Casella's and Cartier's hydrometers shall be supplied to the Distillery at the expense of the Manufacturer.

9. No weak spirits below 60° under-proof by Casella's or below 15° by Cartier's hydrometer, or faints, or hot or warm spirits of higher temperature than 90° Fah., or spirits tainted with venom or verdigris, shall be admitted into stores or used for blending purposes.

10. Spirit in any way discolored or with a burnt or bad smell, as well as faints, shall be re-distilled.

11. In stills which have not been worked for more than three days, distillation of ordinary wash may be carried on, provided that the spirit, which runs from stills during the first three hours from the commencement of such distillation, be re-distilled.

12. The Manufacturer shall keep true and correct accounts, in the prescribed forms, of his receipts and disbursements, and of the quantity and strength of the spirits manufactured in, and issued from, the Distillery, and of all materials received and expended daily at the Distillery. The cash accounts of the Manufacturer shall be posted up daily, each item of purchase of stock being duly vouched; and an abstract of the cash accounts in the prescribed form shall be furnished monthly to the Excise Commissioner's Office, duly attested by the Manufacturer or his Agent. He shall produce all such accounts, whenever required to do so, for inspection by the Excise Commissioner or any other officer appointed for the purpose.

V. The following rules shall be observed with regard to the issue of arrack and other country spirits and special liquors from the Distillery:—

1. Arrack and other country spirits shall ordinarily be issued at a strength of 20 under-proof, except in special cases hereinafter mentioned.

2. Should a Foreign Liquor shop-keeper desire to have spirits at a higher strength than the above, the spirits so issued shall be double-distilled spirits, which shall not be of a greater strength than 10° under-proof. Such spirits shall be issued from the Distillery in two dozen quart bottles, four dozen pints, and so on for lower denominations of flasks, as for English and other Foreign spirits; the bottles shall be paid for by the shop-keeper and the spirits shall be issued in such bottles from the Distillery, with the seals and labels affixed on them by the senior officer in charge of the Distillery, and under cover of his passes. In cases in which breakage in transit may be apprehended, the senior officer will arrange for the bottling and sealing being done by Range Supervisors, to whom adequate supplies of such spirits may be sent in jars from the Distillery for the purpose.

3. The duty payable to Government for spirits supplied to foreign liquor shop-keepers shall be calculated proportionately on the rate prescribed per gallon of arrack 20° under-proof or at such other rate as may, from time to time, be fixed by Government. The accounts for such spirits shall be kept separately.

4. Should the aforesaid shop-keeper wish to have spirits of higher strength than 10° under-proof, he shall obtain therefor the special orders of the Deputy Commissioner of the District for which the spirits are intended. Under these special orders, such spirits shall be inserted in the shop-keeper's license, the fact being reported to the Excise Commissioner, for communication to the Distillery officer.

5. No arrack below 20 under-proof shall ordinarily be issued from the Distillery; but should there be a demand for arrack of lower strength than 20° under-proof, arrack at 30 under-proof may be specially issued from the Distillery, such arrack

being kept and accounted for separately both in the Distillery and in Bonded Depôts.

6. Old arrack (*i. e.*, arrack 10 days old or more than 10 days old,) shall, as a rule, be issued from the Distillery and shall be passed at 20° under-proof, for Depôts within 50 miles, and at 19·5° under-proof for Depots more than 50 miles, from the Distillery, and charged for at 20° under-proof. But when, owing to short stock or otherwise, such old arrack is not available and it is found necessary to issue fresh arrack, *i. e.*, arrack less than 10 days old, such fresh arrack shall be passed at 19·5° under-proof for Depôts within 50 miles and at 19° under-proof for Depots more than 50 miles, from the Distillery, and shall be charged for at 20° under-proof.

7. No arrack of 20° under-proof shall be removed from the Distillery in less quantity than two gallons.

8. The senior officer in charge of the Distillery, upon written application made to him for that purpose, may, with the permission of the Excise Commissioner, grant to respectable private individuals for *bonâ fide* private use, but not for sale, and to hospitals and museums and other public institutions, spirit of any strength manufactured at the Distillery, at proportionate rates of duty, in quantities of not less than one ordinary quart bottle, the price charged by the Manufacturer being paid to the Manufacturer, and duty to the senior officer in charge of the Distillery, who shall remit the duty to the Treasury without unnecessary delay. Provided, that no duty shall be charged in the case of spirits issued for the use of the Medical Department of the Mysore Government.

9. The Manufacturer may, with the permission of the Excise Commissioner, manufacture double-distilled country spirits of any strength, milk punch or any other special liquors, under the supervision of the Excise Officers, who will recover from the Manufacturer the duty on the spirit used for the preparation of milk punch or any other special liquors. Such spirits and special liquors, when duly bottled, sealed and labelled by the senior officer in charge of the Distillery at the Manufacturer's expense, may be sold direct from the Distillery to respectable persons with the Excise Commissioner's previous sanction, and to Foreign liquor shop-keepers. The prices at which such spirits and special liquors shall be sold will be fixed by the Manufacturer.

VI. At every distillery the following Registers shall be kept in the forms prescribed by the Excise Commissioner:—

2. All persons entering the Distillery shall be under the orders of the officer in charge, in respect of their conduct and proceedings within the Distillery, and shall be liable to be searched on their quitting the premises, at the discretion of the officer in charge. The Manufacturer and his responsible Agent and any superior official of the Manufacturer named by him or his Agent, will be exempted from the operation of this rule.

VIII. Government shall not be held responsible for the destruction, loss or damage of any arrack and other spirits and special liquors stored in the Distillery, by fire or theft or by any other cause whatever. In case of fire or other accident, the officers in charge of the Distillery shall render all assistance that may be required of them by the Manufacturer.

IX. The Manufacturer shall see that his employés give full effect to the rules and orders passed by Government for the custody and regulation of the stock distilled and passed out, the cleanliness of all vessels used, the tinning of metal vessels, the watch, ward and sanitary condition of the enclosure, and other matters affecting either the Government or the Manufacturer's interests, or both.

X. The Manufacturer shall conform to the provisions of the Excise Act for the time being in force and to the rules hereinbefore contained or any other existing Excise Rules, and any additional rules that may be prescribed from time to time by the Government; and he shall see that all his employes give full effect to them.

XI. If any wilful breach of the aforesaid Excise Rules is committed by the Manufacturer, or with his connivance and privity, by any of the men employed by him in the manufacture, custody, carriage or sale of arrack, it shall be at the discretion of the Government to suspend or cancel the contract, and declare the deposit forfeited, and cause the business to be carried on under the supervision of Government officials of the Excise Department, or by a new Manufacturer, or in any other manner the Government may direct.

XII. 1. Every Bonded Depôt and Farm Depot shall be open from 6 A.M. to 11 A.M., and again from 2 P.M. to 8 P.M. (3) Register of casks, vessels, &c., used in the Depôt.

XIII. An "Inspection book" in such form as the Excise Commissioner may, from time to time, prescribe, shall be kept at every Distillery, Bonded Depôt, Farm Depot and Shop, in which notes of inspection shall be recorded by the Excise Commissioner, Deputy Commissioner, Excise Assistant Commissioner, Head Supervisor or any other officer authorized to inspect them.

XIV. All stills, casks, coppers and other vessels and utensils used for carrying on the business of the Distillery or Depôt shall, from time to time, be inspected, measured and marked by the Assistant Supervisor in charge of the Distillery, or by such other officer as may be appointed by the Excise Commissioner in this behalf.

PART II.

The Grant of "Vend Farms" and "Separate Shops;" The Sale and Transport of Arrack and other Country Spirits and issue of Licenses and Passes.

XVII. The period for which a "Vend farm" or a "Separate shop" shall be granted, shall be the period from the 1st July in any year to the 30th June following. Provided that, with the approval of Government, the "Vend farm" or "Separate shop" may be granted for a period extending to the 30th June of the second or third year succeeding the date of grant.

XVIII. For the purpose of "Vend farms," each District shall be divided into defined tracts, either by each Taluk or each Hobli, or by groups of Hoblis, according to local convenience and circumstances. In large towns and other places, where necessary, each shop in a specified locality may be separately given out.

XIX. The exclusive privilege of vending arrack in such tracts or "Separate shops" shall be disposed of by sale by public auction. The sales shall be conducted by the Deputy Commissioner or an Assistant Commissioner authorized by the Deputy Commissioner in that behalf.

XX. The results of sales shall be reported to the Excise Commissioner without delay.

XXI. The terms and conditions of sale and the grant of farms and issue of licenses shall be as follows:—

1. The exclusive privilege of selling arrack in defined tracts or separate shops in specified localities shall be put up to auction farm by farm or shop by shop, as the case may be, at upset prices, and each farm or each shop put up to auction, will be knocked down to the approved highest bidder above those prices, subject to formal confirmation by the Deputy Commissioner, who will be at liberty to accept or reject the bid without assigning reasons for the same. Such formal confirmation will be tantamount to an acceptance of the bid. Should there be no bid above the upset price, the officer conducting the sale may lower the upset price at discretion. The condition and character of intending bidders may be enquired into; and the officer conducting the sale may, at the time of sale, refuse to receive the necessary deposit which gives the right to bid, from persons regarding whom the result of such enquiries is not satisfactory. No former lessee who has been guilty of an infringement of the terms of his lease or of the Excise laws or rules, shall be entitled to bid. The officer conducting the sale shall not be bound to accept the highest bid, should he consider it to be so extravagantly high as to afford apprehension of the lease breaking down.

2. (*a*) Parties intending to bid must attend either in person or by duly authorized agents.

(*b*) No person shall be permitted to bid until he has deposited Rs. 200 for each defined tract or farm, or Rs. 60 for each Separate shop in a specified locality, or such other reasonable amount as may be fixed by the officer conducting the sale; provided that the Government may at any time dispense with such initial deposit.

(*c*) The deposits made by unsuccessful bidders, if not forfeited as hereinafter provided, will be returned at the close of the sale.

(*d*) The successful bidder must, on the farm or shop being knocked down to him, and before the next farm or shop is put up for sale, deposit a sum equal to $\frac{3}{5}$ths of a month's rent in the case of a farm, and to $\frac{4}{5}$ths of a month's rent in the case of a shop.

(*e*) Within 15 days, or 7 days, as the case may be, from the date of confirmation of sale by the Deputy Commissioner, he must deposit such further sum as, with the former deposit, will make up an aggregate sum equal to two months' rent.

(*f*) If he fail to make either of the deposits aforesaid, the deposits already made shall be forfeited, the farm or shop shall be immediately resold or otherwise disposed of under orders of the Deputy Commissioner, and he shall be debarred from bidding again for the same or for any other farm or shop.

3. Resales effected under para 2 shall be at the risk of the defaulting bidder who shall forfeit all gain, and in the event of a loss by the resale, shall make good the deficiency between the total amount payable by him for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the resale. In the latter case, the forfeited deposit shall be deducted from the loss arising from the resale; and the remainder, if any, shall be recovered from the bidder in the same manner as if it were an arrear of Land Revenue. Should, however, the forfeited deposit be greater than the loss by resale, the whole of such deposit shall be credited to Government.

4. The purchaser of the exclusive privilege of vend in each defined tract or separate shop in specified locality shall sign an agreement binding himself to observe the conditions hereinafter set forth; and the agreement shall be executed within ten days of the expiry of the period of fifteen days, or seven days, as the case may be, mentioned in para 2 above. If the purchaser fails or refuses to sign the agreement, all deposits already made shall be forfeited; and the exclusive privilege shall be resold at the risk and loss of the first purchaser as set forth in paras 2 and 3, or be otherwise disposed of. In the case of the purchaser's death after confirmation of the sale, it shall be binding on his heirs or assigns.

5. As soon as the agreement has been executed, the Deputy Commissioner shall issue a license in the appended Form A, to the purchaser of each "Vend farm," and in the appended Form D to the purchaser of each "Separate shop", assigning to the purchaser the exclusive privilege referred to therein, subject to the following conditions:—

(1) The exclusive privilege shall extend only to the sale of arrack ordinarily of 20° under-proof, and with the special permission of the Deputy Commissioner or other officer authorized by him, to the sale of arrack of 30 under-proof. But it shall not extend to the sale of double-distilled country spirits and other special liquors of whatever strength manufactured at the Government Central Distillery, and which the foreign liquor shop-keepers alone are permitted to sell.

(2) The amount for which the privilege has been purchased shall be payable into the local Taluk Treasury on the prescribed printed chellans, in equal monthly instalments, commencing from the 1st month of the lease. Each instalment shall be regarded as the rent for the month in respect of which it is payable. Each month's rent shall be payable on or before the 20th of the same month. If default is made, the Amildar may, with the sanction of the Deputy Commissioner, declare, by record in writing, that the license is forfeited, and proceed to resell the farm or separate shop as soon after the last day of the month as may be possible. Provided, however, that instead of reselling the farm as above, the Deputy Commissioner may, in his discretion, direct the Amildar to break up the defaulting farm into the existing number of shops within it, and to give each separate shop-keeper a license for the rent he agrees to pay, provided the total of such rents is not less than what the defaulting farmer had agreed to pay. The chellans shall be in triplicate in the appended Form E. The original shall accompany the Treasury "Daily Cash" account sent to the District Treasury, the duplicate shall be forwarded by the Taluk Treasury Officer to the Excise Commissioner's Office, and the triplicate retained with the renter.

(3) The deposit made by the licensee shall be taken in payment of the instalments due in the last two months of the period of the farm or separate shop. Provided, however, that where the farm or separate shop is resold or the farm is broken up under the provisions of sub-clause (2) above, the deposit shall, at the discretion of the Deputy Commissioner, be either forfeited or be appropriated towards the arrears due by the defaulter, as well as towards the deficits, if any, arising from the resale of the farm or separate shop. The balance of such arrears and deficits, if any, shall be recoverable from the licensee under the rules in force for the recovery of arrears of Land Revenue. No remission or abatement of the rent or compensation shall, on any account whatever, be claimable by the licensee.

(4) Interest at 6 per cent per annum shall be recoverable on all arrears from the date of default, and on deficits from the date of resale.

(5) (a) The licensee shall purchase the arrack, at the prescribed rate, from the Manufacturer or obtain the same from a Bonded Depôt established as hereinafter provided.

(b) The licensee of every separate shop in the Cities of Bangalore and Mysore shall pay a registration fee under the Municipal Regulation, at the rate of Rs. 180 per annum in advance, for the period of the license for his shop; and he shall pay also a license fee of 4 annas per gallon on all arrack sold by him in excess of 55 gallons a month in each such shop.

(c) The rate payable as above under clauses (a) and (b) shall be in addition to Excise duty which shall be prepaid into the Taluk Treasury, or into any other Government Treasury with the permission of the Deputy Commissioner, at such rate or rates for arrack of the strength of 20° under-proof as may be fixed by Government, from time to time, and proportionately for lower strengths, before the removal of the arrack from the Distillery or from any Bonded Depôt established as aforesaid.

(d) The licensee shall sell the arrack to the public at such rate or rates as may be fixed by Government, from time to time, for 20° under-proof and proportionately for lower strengths.

(6). (a) The licensee of every Vend Farm who obtains his supplies from the Distillery shall pay the above duty into the Taluk Treasury and obtain a receipt in the appended Form F, which shall be in triplicate, the original to accompany the "Daily Cash" account to the District Treasury, the duplicate to be delivered

to the Officer in charge of the Distillery, and the triplicate to be retained with the licensee. On production of such receipt and an indent for the supply of the arrack covered by the receipt, and on payment of the price of such arrack to the Manufacturer or his agent at the prescribed rate, obtaining a receipt from him therefor, the Assistant Supervisor or other Officer in charge of the Distillery shall issue the quantity of arrack covered by the amount of duty shown in the Treasury Officer's receipt, and he shall forward the Treasury receipt to the Excise Commissioner's Office under his endorsement as to the date and hour when the arrack was issued. The Assistant Supervisor or other officer aforesaid shall then issue a rahadari in duplicate in the form hereinafter provided for the transport of arrack from the Distillery.

(*b*) The licensee of every Vend Farm who gets his supplies from a Bonded Depôt, shall pay both the price and duty at the prescribed rates into the Taluk Treasury and obtain a receipt in the appended Form G., which shall be in triplicate, the original to accompany the "Daily Cash" account to the District Treasury, the duplicate to be delivered to the official in charge of the Bonded Depôt, and the triplicate to be retained with the licensee. On production of such receipt and an indent, the Government Arrack Carrying Contractor's Agent in charge of the Bonded Depôt shall issue the quantity of the arrack covered by the amount of price and duty shown in the Treasury receipt which shall be dealt with as laid down in the last preceding clause. The arrack issued to the licensee's shops shall be covered by permits as hereinafter provided.

(*c*) The licensee of every Separate Shop shall pay the above duty and price to a special shroff, appointed in this behalf at the cost of Government and located at the Taluk Cutcherry to receive such duty and price daily, including Sundays and holidays; and shall obtain a receipt in the prescribed printed Form "G". On production of such receipt and an indent for the supply of the arrack covered by the receipt, the Bonded Depôt-keeper shall issue the quantity of arrack equal to the amount of duty shown in the said receipt which will be forwarded to the Excise Commissioner's Office under the endorsement of the Bonded Depôt-keeper aforesaid, as to the date and hour when the arrack was issued. The Depôt-keeper shall issue a pass in the prescribed form for the transport of arrack from the Bonded Depôt.

(7) (*a*) Government may establish Depôts in any specified tracts and arrange through a Government Contractor or Agent or in Amani to supply such Depôts with the arrack required for the use of the renters of Vend Farms or Separate shop-kepers in specified localities. These Depôts shall be called "Bonded Depôts." In Districts for which such Bonded Depôts are established, they shall generally be at the localities where whole-sale Depôts existed on 31st March 1892, and serve the same tracts as the latter used to do. The Excise Commissioner shall have the power to alter the location of any existing Bonded Depot, or open additional Depots, should such a step not involve additional expenditure in carriage or storage. The Government contractor shall transport arrack and other country spirits from the Distillery to Bonded Depôts in his own casks, which shall be strong and sound. He shall also provide at his own cost cocks and taps, gallon measures and other prescribed measures for the use of each Bonded Depot.

(*b*) The Government contractor shall pay for the rent and establishment of Bonded Depots.

(c) The establishment at each Bonded Depôt shall be under the orders of the Government and of the Government contractor or his agent where one has been appointed for the working of Bonded Depôts.

(d) The license to be issued to the Government contractor's agent in charge of each Bonded Depôt shall be in the appended Form R., and the bond to be executed by the contractor shall be in the appended Form S.

(e) The licensee of every Vend Farm who draws his supplies from the Distillery shall maintain at a place or places within his farm, where it may be considered necessary by the Deputy Commissioner, a depôt or depôts, to which all arrack purchased by him shall be conveyed in his own casks for verification, &c., of the consignment, under the rules hereinafter provided, before issue to the shop-keepers. The depôts shall at all times be open to inspection by the Deputy Commissioner or any officer of the Excise Department. No such depôt shall be opened without a license from the Deputy Commissioner in the prescribed Form B. hereto appended.

(f) The licensee of every Vend Farm who draws his supplies from a Bonded Depôt established by Government will not be required to open his own depôt as laid down in the last preceding clause, or to provide himself with his own casks. In such cases the Government contractor, his agent or servants shall convey such licensee's supplies of arrack from the Distillery, and deliver the same to him or to the shop-keepers under him in the aforesaid Bonded Depôt.

(g) The licensee of every Separate shop shall take his supplies of arrack in his own vessels from the Bonded Depôt to which it is attched.

(8) The arrack shall be sold as issued from the Distillery or Bonded Depôt, and shall not be adulterated or diluted in any manner in the farm depots, if any, or in shops.
